

KAUNO KOLEGIJA/University of Applied Sciences is looking for partners in Israel and other South Mediterranean countries for cooperation under Erasmus+ programme. We would like to start with credit mobility, further develop cooperation to Strategic Partnership or Capacity Building projects. For credit mobility the language of teaching should be English. We are particularly interested in cooperation with academic and teacher-training colleges, providing first cycle studies. It can be in the areas of social sciences (e.g. business, tourism and hospitality, sports management, social work, etc.) technologies (IT, multimedia, food technology and safety, etc.), biomedicine (nursing, midwifery, oral hygiene, occupational therapy, physical therapy, etc.), arts ( design, fashion design, decorative plastics, photography, restoration ), humanities and pedagogy (social pedagogy, pre-school pedagogy, etc.).

KAUNO KOLEGIJA is one of the major state professional higher education institutions in Lithuania with the community of over 7300 students, around 1000 employees and more than 20000 graduates. It provides first cycle studies awarding a professional Bachelor's degree in the areas of Technologies, Biomedicine, Humanities, Social sciences and Arts. At KAUNO KOLEGIJA students are taught across 4 faculties in Kaunas City and 3 regional departments. It has:

- 49 Professional Bachelor level study programmes (<http://www.kaunokolegija.lt/en/english-studies/english-study-programmes/>), 6 are delivered fully in English, 2 double degree programmes with partner institutions in Scandinavia
- over 150 international partner institutions of higher education
- around 200 international incoming students and over 300 outgoing students per year
- Top positions held in ratings of Lithuanian colleges.
