

Interfaith Encounter Association

YOUTH INC PROJECT

Co-funded by
the European Union

INTERFAITH ENCOUNTER ASSOCIATION

Grassroots community building
through interfaith dialogue

- Founded in 2001
- 30 active groups
- All-inclusive approach
- Active learning both as methodology and shared goal

YOUTH INC PROJECT

Learning for diversity and inclusion

- 6 partner organizations from different countries
- Highlighting shared EU values to be disseminated (3 EU + 3 non-EU countries)
- Includes methodologies from each partner organization

CONNECTING THROUGH MUTUAL LEARNING

“Making invisible heroes visible”

- Capacity building for youth workers
- Problem-based learning module applied in parallel in Jewish and Arab schools in Jerusalem
- Joint webinars and international workshops
- Joint inauguration ceremonies of virtual monuments

Closing thoughts

**Leveraging the project's resources
for maximum impact**

- Identifying partners with similar values, not necessarily similar methodologies
- Recognizing opportunities for connection while accounting for limitations
- Creating relationships between the schools which will be cultivated in the long-term
