Mobility in Israel

What is Erasmus+?

- The EU's programme to support education, training, youth and sport
- Funding for programmes, projects and scholarships
- Fosters EU-EU and EU-international cooperation
- Erasmus+ programme 2021-2027:
 - builds on previous programme
 - more international

● Partner countries =>
**Non-associated third
countries**

What is ICM?

- Launched in the 2014-2020 programme to fund short-term mobility of students and staff between Programme and Partner countries
- Manifold benefits for individuals and institutions:
 - Key skills & competences, professional development, enhanced employability, teaching methods, etc.
 - Increased capacities, attractiveness & internationalisation; improved quality of higher education

How does it work?

- **Decentralised action** managed by the Erasmus+ National Agencies based in the programme countries
- **Global action:** the world is divided into regions, which have different budgets allocated per year

Activities supported (I)

- Short-term higher education mobility for students, academic and administrative staff
- All levels: Bachelor, Master and PhD candidates
- Mobility in any subject or academic discipline
- Also supports traineeships for students and training for staff
- Study periods and traineeships of 2 – 12 months*
- Blended mobility (physical mobility of 5 – 30 days + virtual component)

NEW

Blended Mobility*

- Blended mobility is a combination of physical mobility with a virtual component facilitating a collaborative online learning exchange and teamwork.
- Students with fewer opportunities (short cycle/bachelor/master) who are not able to participate in long-term physical study or traineeship mobility, will be able to carry out a short-term physical mobility by combining it with a compulsory virtual component.

*not to be confused with intensive mobility

Staff Mobility

- Staff mobility: 5-60 days excluding travel time (min 8Hr/week)
- There is no minimum number of teaching hours for invited staff from enterprises.
- A teaching activity can be combined with a training activity during a single period abroad- the minimum number of hours of **teaching per week is reduced to 4 hours.**
- A teaching or training mobility **can take place in more than one receiving organisation** in the same country, while being considered as one.

*not to be confused with intensive mobility

Activities supported (II)

- All partners in an ICM project can **send and host students and staff** as described in their submitted project and provided that a relevant grant has been secured.
- European partners may use a part of their **intra-European mobility budget (KA131)** to fund **outgoing mobilities** from EU to restricted countries under ICM.

EUR 140-180/day for staff

EUR 79/day up to the 14th day of activity and EUR 56/day from 15th to the 30th day of activity in case of blended mobility

Inclusion support - 100 EUR per participant/ 100% eligible costs*

Contribution to travel costs

EUR 20-1500, depending on distance travelled

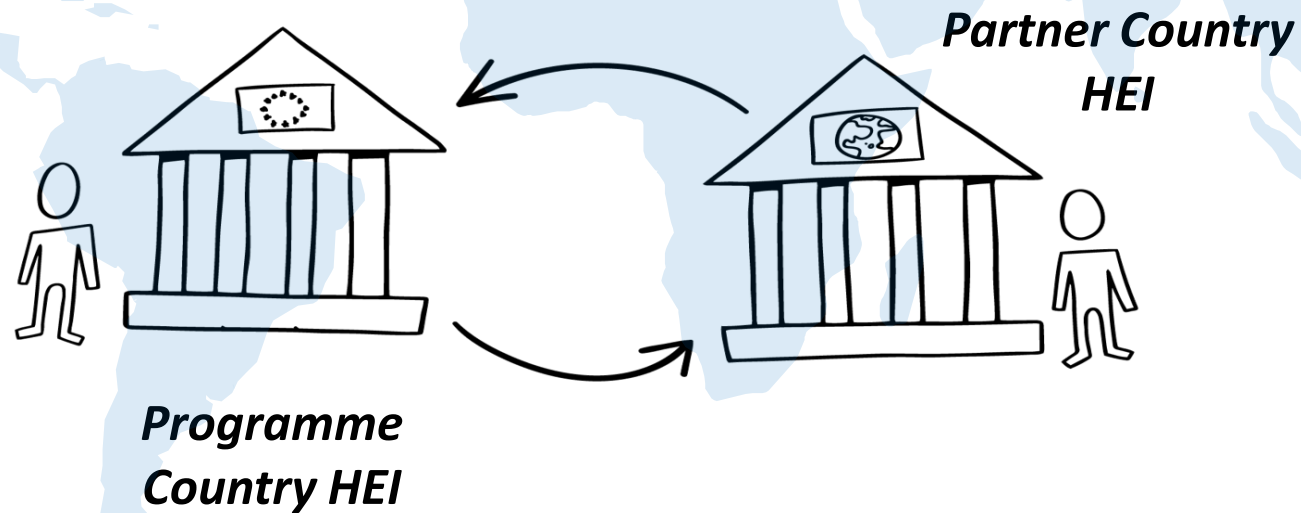

Who can apply and how? (I)

- **Higher Education Institutions in the Programme countries**
- The **ICM project in their application** contains the countries and partner universities they intend to cooperate with, as well as their **cooperation plan in each region**

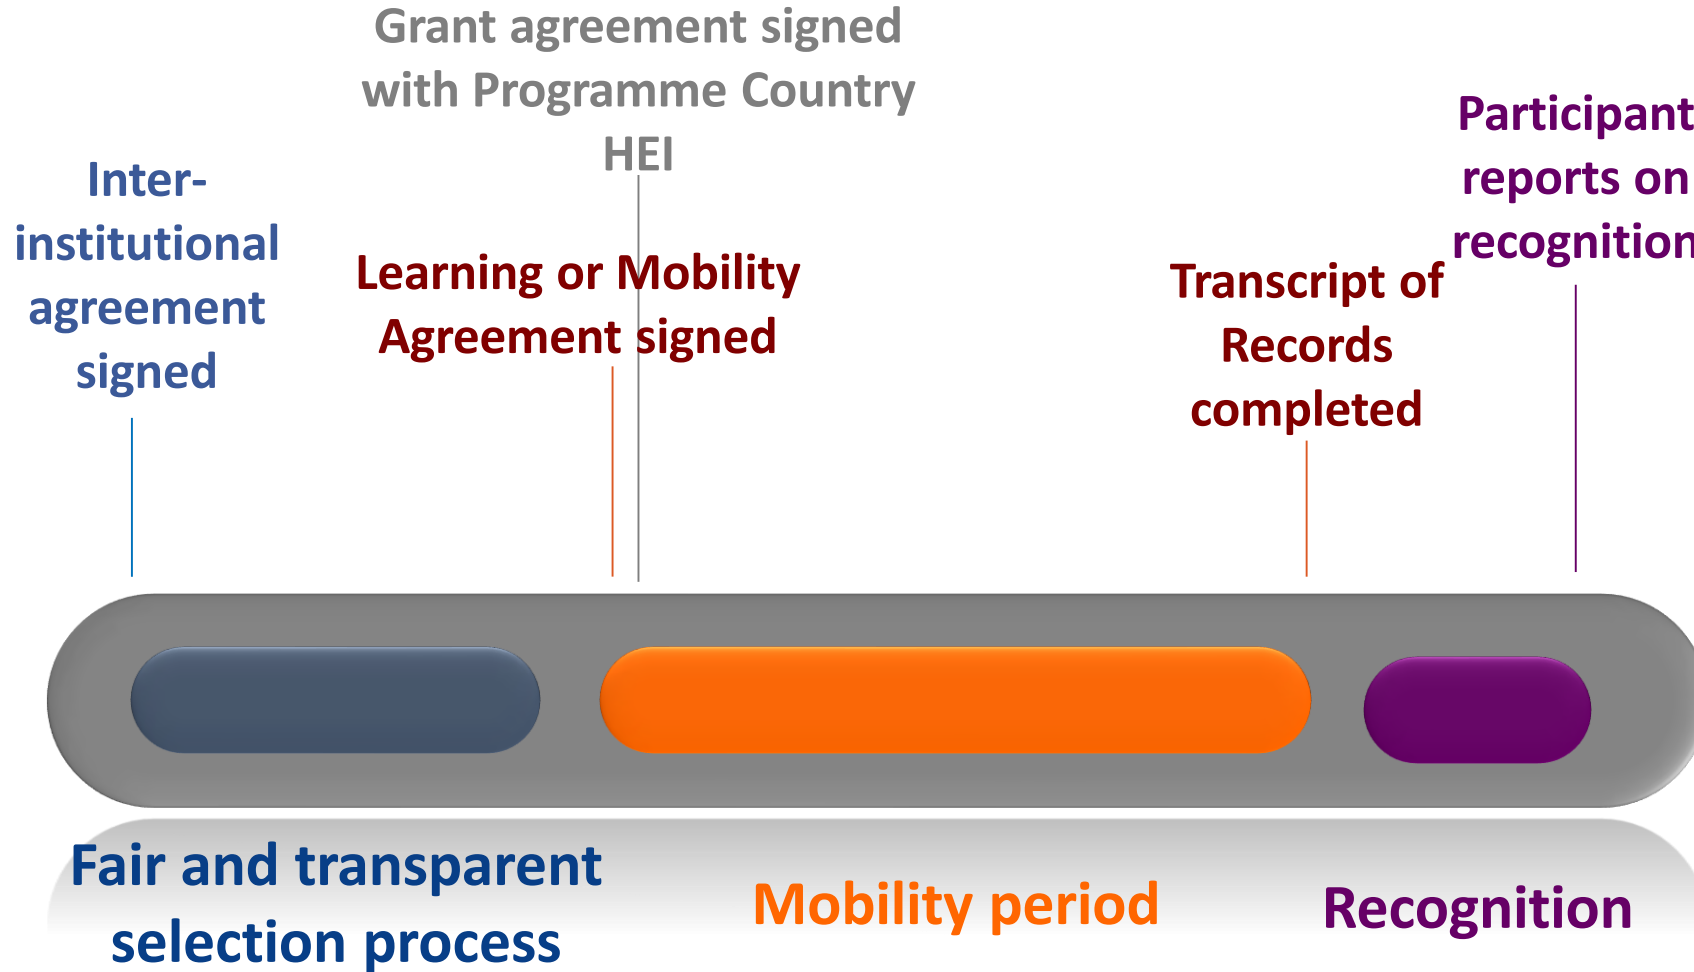

Who can apply and how? (II)

- Upon successfully passing the established quality criteria, they will be allocated an **ICM grant spread in different regional envelopes**
- For every partnership with a secured budget, an **Inter-Institutional Agreement** is needed between the main applicant in Europe and every partner university in third countries before mobilities can start.
