CHE/PBC Policy Principles on International Students

11 Policy Principles

1. Focus on attracting high quality students and integrating them with Israeli students
2. Develop int'l programs that are economically sustainable
3. Focus on advanced degrees and short-term programs
4. Key Target Groups – North American Jewry, Asia (India & China)
5. Promote Teaching in English
6. Develop int'l programs based on Israel's competitive advantages
7. Approval of int'l programs based on planning considerations
8. Incentives based on character and challenges of the different HEIs
9. Significant national marketing and branding efforts
10. PBC budgetary focus – building infrastructure and excellence scholarships
11. Initial focus on development and then substantial quantitative increase
